Hi Gil,

Thank you for the quick response. Once we get hear back from the entities to schedule the audits and complete our summer schedule, we will reach out to you with our tentative start date. Also we will set up a pre-audit meeting with you about a month before the start date.

Thank you,

Hi Adam,

I have forwarded this email to Jamison to ensure we don't schedule during a time she's not available. I will let you know what she says as soon as I hear back from her.

Thank you,

Good morning.

In preparation for your upcoming federal and Financial audit, we would like to get some information on your availability for scheduling purposes. Currently, our timeframe is June 2024 to September 2024. Is there a time that does not work for you that we should keep in mind when scheduling it?

We appreciate your feedback. Thank you.
