Hi Faviola,

Here is a link where you can search audit reports, so if you put Sunnyside it will give you any of the past reports we have issued. Here is the link:

Audit Reports | Office of the Washington State Auditor

For the annual reports, you can log in to your SAW account and see the schedules and submissions from prior years. We don't have access to them on our end, but if you have problems our local government support team may be able to help you further. Thanks.

Hi Amy,

The following questions may appear silly but I'm hoping you can help me answer them. I am needing a copy of 2022 audit report. Do I just obtain this by searching on SAO website? I also need a copy of 2022 and 2023 Annual Report. Do you know where I can find those?

Thank you,
