Public Health Expenditure Account Definitions

562.1 Administration/Policy Development

Services for department wide administration, finance, planning, supervision, evaluation, policy-making decisions, training, other administrative services (e.g., environmental health administration, personal health administration). The 5th digit should be used at the discretion of the health jurisdiction to track activities separately according administrative functions.

Family and Individual Health

562.21 Child Death Review

Services/activities related to the review of all unexpected deaths of children under the age of eighteen within the jurisdiction. Deaths due to prematurity are excepted unless the infant's family had a history of the CPS involvement during the previous twelve months.

562.22 Maternal/Infant/Child/Adolescent Health/Children with Special Health Care Needs (Also see 562.25.)

Services/activities related to the health of pregnant women, infants, children, and adolescents through age 19 including children with or at risk for special health/developmental needs.

562.24 Oral Health

Services/activities relating to oral health/dental care activity for individuals or the community.

562.25 Children with Special Health Care Needs (also see 562.22)

At the local health jurisdiction's discretion, this BARS code may be used to track CSHCN expenditures separately from the MICA Health (562.22).

562.26 Family Planning - Non Title X

Services/activities for family planning and reproductive health issues. Does not include Title X funding.

562.27 Family Planning - Title X

Services/activities relating to Title X funded family planning and reproductive health activities. (Includes Title X and 10 percent local funds for match.)

562.28 Women, Infant, Children (WIC)

Services/activities for pregnant and breastfeeding women, infants, and children under age five who are at nutritional risk.

562.29 Other Family and Individual Health

Services/activities for families and individuals that cannot be otherwise categorized. May include Adult Health, School Health, Home Health, Refugee Health, Migrant Health, Jail Health, Rural Health, Minority Health, etc. Programs should be set up for each unrelated activity within the expenditure basic account.

Communicable Disease

562.32 Immunization

Services/activities to administer and distribute vaccine for vaccine preventable diseases for individuals of all ages.

562.33 Sexually Transmitted Diseases

Services/activities for the diagnosis, treatment, and control of sexually transmitted diseases.

562.34 Tuberculosis

Services/activities for the diagnosis, treatment, and control of tuberculosis.

562.35 HIV/AIDS

Services/activities for the education, surveillance, clinical care, intervention, community planning, and prevention of HIV/AIDS and persons infected with the virus. Regional lead agencies should report only those dollars expended for their jurisdiction. Money passed through to other agencies in their region will be reported as expenditures by those agencies.

562.39 Other Communicable Diseases

Services/activities for the diagnosis, treatment, and control of communicable diseases that cannot be otherwise categorized.

Non-communicable Disease

562.41 Cardiovascular Risk Reduction

Services/activities to prevent cardiovascular (heart) disease.

562.42 Obesity

Services/activities to address the threat of obesity in Washington state.

562.43 Cancer Prevention and Control

Services/activities related to the prevention and control of cancer (e.g., Breast and Cervical Health Program).

562.44 Tobacco Prevention and Control

Services/activities to decrease access and use of tobacco by youth and adults.

562.45 Violence and Injury Prevention

Services/activities to promote personal safety and decrease intentional and unintentional violence.

562.49 Other Non-Communicable Diseases and Chronic Illnesses

Services/activities to promote prevention and control of non-communicable diseases and chronic illnesses not otherwise categorized.

Environmental Health

562.52 Drinking Water Quality

Services/activities related to the planning development and on-going operation of safe drinking water systems. Includes conducting plan reviews, carrying out regulatory oversight of public supplies, following up on incidents of water system contamination, consulting with individual well owners.

562.53 Solid and Hazardous Waste

Services/activities related to implementing the waste management priorities of waste reduction, recycling, and disposal as well as responding to incidents of illegal storage/disposal of solid/hazardous waste. Includes implementing applicable state and local regulations governing the collection, transportation, storage, disposal of solid/hazardous wastes, investigation of complaints, pursuing remedial clean-ups, promoting/implementing waste reduction and recycling efforts.

562.54 OSS and Land Development

Services/activities related to the planning and provision of safe collection, treatment, and disposal of residential sewage. Services/activities related to the planning and provision of environmentally sound uses of land. Includes environmental reviews of proposed land use projects as well as site evaluations, inspections, investigations of improper sewage disposal, advising planning groups on locating solid waste disposal sites, chemical storage, light industry noise abatement, pursuing corrective actions.

562.55 Vector

Rabies investigations, animal bite infections, miscellaneous public health activities and services involving animals.

562.56 Food

Services/activities necessary for the assurance that safe and wholesome food is provided to the public. Includes educational efforts directed toward the public and food service operators/handlers, implementing applicable state and local regulations governing retail food establishments, public education, food handler permits, inspection of food establishments, investigating complaints of unsafe food handling practices, taking enforcement actions as needed.

562.57 Chemical and Physical

Services related to chemically contaminated (or potentially contaminated) sites and chemical spills.

562.58 Living Environment

Services/activities to ensure physical safety and social well-being. Includes reviewing plans and inspections of schools, camps, shelters, temporary worker housing, parks, other public buildings, swimming pools, spas, water parks, and natural bathing areas.

562.59 Other Environmental Health

Services/activities for promotion or protection of environmental health not otherwise categorized.

562.60 Environmental Water Quality

Services/activities related to the assessment and protection of overall water resources in the community including surface and ground waters. Includes conducting investigations, collection and analysis of data, identifying pollution sources, developing pollution prevention plans, undertaking remedial actions, responding to area-wide contamination incidents, promoting water resource protection in community, monitoring surface waters including swimming, boating, and shellfish growing areas.

*Other Public Health***562.71 Vital Records**

Services/activities necessary for the registration and certification of vital records and transmittal of records to the State Center for Health Statistics.

562.72 Laboratory

Services/activities related to chemical and microscopic analysis of body tissue and fluids to identify disease-causing organisms and aid in the diagnosis and treatment of disease. Also includes analysis of groundwater/drinking water for toxic content. Classification includes costs associated with conducting the tests, but does not include outside laboratory service costs which are classified as a professional service within programs.

562.73 General Health Education

Services/activities which encourage people to adopt and maintain a healthy lifestyle as well as advocate social and environmental changes needed to facilitate healthful living conditions. Activities include workshops, prevention hotlines, health fairs, etc. If the education provided is categorical in nature, it should be classified in a program above (e.g., WIC, STD, TB, etc.).

562.74 Services Performed by Other Agencies

Services/activities which are not a part of the health department program responsibility instead are performed by other agencies under contractual pass-through arrangement. The pass through agency reports equal revenue and expenditures on BARS reports. The contracting agency reports actual revenue and expenditures.

562.78 Pharmacy

Services/activities related to the acquisition and dispensing of prescription medication, vaccine, general pharmaceutical items.

562.79 Epidemiology

Services/activities related to the investigation into the occurrence and control elements of diseases and health risks in the population.

562.8_ Assessment

Services/activities related to the regular collection, analysis, and sharing of information about health conditions, risks and resources in the community, monitor health status and risk indicators, health emergencies, environmental risk factors, community concerns, community health resources. Use 5th digit at the discretion of the health jurisdiction to track activities separately according to needs.

562.88 Emergency Preparedness and Response

Services/activities related to the planning, coordination, surveillance, training, and infrastructure and communication development of public health entities within the state, with the purpose of building capability to respond to acts of bioterrorism as well as other infectious disease outbreaks, public health threats, and emergencies. Regional lead agencies should report only those dollars expended for their jurisdiction. Money passed through to other agencies in their region will be reported as expenditures by those agencies.

562.9_ Miscellaneous

Services/activities not previously categorized. Includes expenditures associated with one time or unique grant funding sources, activities not related to any other BARS code. Use 5th digit at the discretion of the health jurisdiction to track activities separately according to needs (e.g., 562.99, *Child Profile*).

Any unassigned codes may be used by the health department for internal tracking purposes of specific grants or special activities.
