Dear Ms. Seward-Trabbold,

We have completed our response to your public records request sent in via mail, as follows:

***I am writing on behalf of Bloomberg LP. I am trying to acquire the [2011-2015] Audited Financial Statements for the Yakima County Fire Protection District No 2 and I was hoping you would be able to assist.***

***I have attached a formal request letter with additional information for your records. If you have any questions, please feel free to respond or contact me via phone. Thank you in advance for your time***

In response, our office has not received any unaudited financial statements or annual reports from Yakima County Fire Protection District #2 during that time frame. We have no responsive records to provide you that would fulfill your request and we now consider this closed. Please let us know if you have any further questions.

Sincerely,

*Mary Leider, CPRO*
