Dear Ms. Sauthers,

We have received and completed our response to your public records request sent in via our website, as follows:

***Is it possible to get a copy of the annual report for our local cemetery in Bay view Washington? the address of the cemetery is 12513 Bay view cemetery rd. mount vernon, wa 98273 it is possible that there is no space between bay and view. thanks!***

In response, the Bayview Cemetery is not a Government entity, they are a Community Association. The fact that they are not a Government entity means we would not collect their annual report information and therefore have nothing to provide you that would be responsive to your request. We will now consider this request closed. Please let us know if you have any further questions.

Sincerely,

***Mary Leider, CPRO***
