Dear Mr. Cummins,

The Office of the Washington State Auditor has received and completed our response to your email request, as follows:

Subject: Previous Letter Concerning Composition of Walla Walla County Board of Equalization

This letter is a request for information concerning the actions taken concerning my letter dated November 10, 2023, relating to the composition of the Walla Walla County Board of Equalization. My contention in my November 10th letter related to both a Conflict of Interest and an Appearance of Fairness of the board members because of their proprietary real estate occupations and related brokerage ownership interests.

I would appreciate a written acknowledgement and knowing what action has been taken from my request.

In response, this is not a request for public records, but an information request. I have forwarded your letter to the audit team that is processing your Hotline complaint. Since you have not requested any specific records, we will not consider this closed.

Sincerely,

Mary Leider, CPRO
