Dear Ms. Phillips,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

(Stephanie Sullivan) My interview with the defense for the Fort Worden PDA was cut short this afternoon, because it was determined that they did not have any of our audit files from the investigation we performed.

In response, we have attached all the responsive records to fulfill your request with us, as well as the redaction codes used. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

Mary Leider, CPRO
