Dear Mr. Beavers,

We have received and completed our response to your public records request sent in via email, as follows:

***The State Auditor has a recent legislative directive to evaluate the current Public Records Act. I could not find any information on that on the website. Would you be so kind as to provide a link to the project or legislative directive or a copy thereof.***

***Thank you.***

In response, the link below is to the legislative directive to fulfill your request with us. We will now consider this request closed. Please let us know if you have any further questions.
