Dear Mr. Bernstein,

We have received your public records request sent in via our website, as follows:

I would like any public audits performed in the last 5 year specifically relating to the Blaine School District financial audits, budgeting, etc. thank you

In response, if you are just requesting audit reports for the last 5 years for Blaine School District #503, those are available at no charge directly on our website at <http://portal.sao.wa.gov/ReportSearch>. In the "Search Options" box just type "Blaine School District", but clear the "To/From Date Issued" boxes and all the audits will appear on the right.

If you are seeking records beyond just the audit reports, please contact us and let us know exactly what you are seeking. Please contact us no later than June 2, 2016, or we will need to close this request in our system. Please let us know if you have any further questions.

Sincerely,

Mary Leider, CPRO
