Dear Ms. Moore,

We have received and completed our response to your public records request sent in via our website, as follows:

We are looking for a property record that is not on file with our local county auditor with a file number of 1075814.

In response, the State Auditor's Office does not have property records, you would need to contact your County Auditor for that information. We have no records to send you that would be responsive. We will now consider this request closed. Please let us know if you have any further questions.

Sincerely,

Mary Leider, CPRO
