Dear Ms. Wallis,

We have received and completed our response to your public records request sent in via our website, as follows:

I am the Complainant against BNSF Railway Co. on case # 1960-14-079. I received a letter stating that my case had been dismissed because my attorney on record filed past the 180 day deadline. I personally called Vicki Colman at the DOL office on March 10, 2014, who advised me to file a complaint. To my recollection, I filed my case online on or around that date, and subsequently sent additional documents as was instructed in the online document. I would like to see a copy of my file to determine what went wrong. Thank you, Jeanette Wallis

In response, the State Auditor's Office would not have a copy of your file, we believe you have contacted the wrong office. Therefore, we have nothing to provide you that would fulfill your request. We will now consider this request closed. Please let us know if you have any further questions.

Sincerely,

Mary Leider, CPRO
