Dear Ms. Leavitt,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

I am interested in how many people received a sealed name change between August 2023 and February 2024 and the number of people that received a sealed name change between August 2022 and February 2023. If this is not possible I would like to know how many people received sealed name changes per month since January 2022, and if that is not possible I would like to know how many people received sealed name changes per year for the last 10 years. I am not interested in learning the names of those who received sealed name changes, only the number of people.

In response, our office does not have the types of records you are seeking. You would need to contact the Superior Court Clerk's Office at [Washington State Courts - Supreme Court Clerk's Office](#) for the records you are seeking. Since we do not have any responsive records, we will now consider this closed.

Mary Leider, CPRO
