Dear Ms. Krell,

The Office of the Washington State Auditor has an update regarding our response to your public records request sent in via email, as follows:

***We're hearing that a complaint was filed with the SAO related to a condo project in downtown Puyallup.***

***If that's true, is there anything you can tell me? Are you able to share a copy of the complaint? My cell is 907-982-0659.***

The City of Puyallup accountability audit and investigation is still in progress, at this time. We are unable to release records related to an open audit/investigation until it is completed. We now estimate the audit/investigation will be completed and we can have the responsive records found ready for you by May 22, 2024. If we are unable to meet that date, we will contact you and let you know when to expect the work will be completed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

**Mary Leider, CPRO**
