

**Office of the Washington State Auditor  
Pat McCarthy**

November 4, 2019

Mayor and City Council Members  
City of Tieton  
P.O. Box 357  
Tieton, WA 98947

We are pleased to confirm the audits to be performed by the Office of the Washington State Auditor, in accordance with the provisions of Chapter 43.09 RCW, for the City of Tieton. This letter confirms the nature and limitations of the audits, as well as responsibilities of the parties and other engagement terms.

**Auditor Responsibilities**

**Financial Statement Audit**

The Office of the Washington State Auditor agrees to perform an audit of the financial statements of the City of Tieton as of and for the fiscal years ended December 31st 2016, 2017, and 2018, prepared in accordance with the cash basis *Budgeting, Accounting and Reporting System Manual* (BARS). Our audits will be conducted with the objective of our expressing an opinion on these financial statements.

We will perform our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free from material misstatement. Since we do not review every transaction, our audit cannot be relied upon to identify every potential misstatement. Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with the standards identified above.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers relevant internal controls in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we will express no such opinion.

Although our audit is not designed to provide an opinion on the effectiveness of internal control over financial reporting, we are required to report any identified significant deficiencies and material weaknesses in controls. We are also required to report instances of fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that could have a direct and material effect on the accuracy of financial statements, or any instances of material abuse that come to our attention. Abuse is defined by *Government Auditing Standards* as involving behavior that is deficient or improper, or misuse of authority or position for personal financial interests. As the determination of abuse is subjective, *Government Auditing Standards* do not require auditors to detect instances of abuse.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

All misstatements identified by the audit will be discussed with management. Material misstatements corrected by management and all uncorrected misstatements will be communicated at the exit conference, as required by professional auditing standards.

Our responsibility is to express in a written report an opinion on the financial statements based on the results of our audit. We cannot guarantee an unmodified opinion. We may modify or disclaim an opinion on the financial statements if we are unable to complete the audit or obtain sufficient and appropriate audit evidence supporting the financial statements. If our opinion is other than unmodified, we will fully discuss the reason with you prior to issuing our report. Further, in accordance with professional standards, we may add emphasis-of-matter or other-matter paragraphs to our report to describe information that, in our judgment, is relevant to understanding the financial statements or our audit.

We will also issue a written report (that does not include an opinion) on issues identified during the audit related to the City's internal control over financial reporting and on compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*.

The City prepares supplementary information that accompanies the financial statements, which is required by BARS Manual for *Schedule of Liabilities*. We agree to perform auditing procedures on this information, with the objective of expressing an opinion as to whether it is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

#### Accountability Audit

In accordance with RCW 43.09.260, we will perform an accountability audit for the fiscal years ended December 31st 2016, 2017, and 2018, of the City's compliance with applicable state laws, regulations, policies and procedures, and safeguarding of public resources in areas representing the highest risk of fraud, loss, abuse, or noncompliance.

Areas will be selected for audit using a risk-based approach and will be identified in the audit entrance conference.

Upon completion of our audit we will issue a written report describing the overall results and conclusions for the areas we examined.

### *Data Security*

Our Office is committed to appropriately safeguarding the information we obtain during the course of the audit. We will:

- Avoid, where feasible, including information considered confidential in work papers.
- In cases where inclusion of personal information is unavoidable, we will follow our policy on confidentiality, consistent with applicable federal and state requirements.
- Maintain the confidentiality of personal information in accordance with the law.
- Ensure that confidential information will be encrypted in transmission if we retransmit it to any parties authorized to receive such information.
- Warrant that collection, access, use, storage, disposal and disclosure of confidential information will comply with all applicable federal, state and data protection laws, as well as all other applicable regulations and directives.
- Warrant that administrative, physical, and technical safeguards to protect confidential information are in place that are no less rigorous than accepted industry practices, including the current State of Washington Office of the Chief Information Officer (OCIO) IT Security Standards (OCIO 141.10) relating to Securing Information Technology Assets Standards, and that all such safeguards, including the manner in which confidential information is collected, accessed, used, stored, processed, disposed of and disclosed, comply with applicable data protection and privacy laws.

### Reporting levels for audit issues

Issues identified through the auditing process will be communicated as follows. Failure to appropriately address audit issues may result in escalated reporting levels.

- **Findings** formally address issues in an audit report. Findings report significant deficiencies and material weaknesses in internal controls; misappropriation; and material abuse or non-compliance with laws, regulations, contracts or grant agreements. You will be given the opportunity to respond to a finding, and this response, or a synopsis of it, will be published in the audit report. Professional auditing standards define the issues we must report as findings with regard to non-compliance with a financial statement effect and internal controls over financial reporting.
- **Management letters** communicate control deficiencies, non-compliance, abuse, or errors with a less-than-material effect on audit objectives. Management letters are referenced, but not included, in the audit report.
- **Exit items** address control deficiencies, non-compliance, abuse, or errors that have an insignificant effect on audit objectives. These issues are informally communicated to management and are not referenced in the audit report.

### Client's Responsibilities

Management is responsible for the accuracy and completeness of information provided to the auditor and will provide the Office of the Washington State Auditor with:

- Unrestricted access to people with whom the auditor wish to speak.

- Notification when any documents, records, files, or data contain information that is covered by confidentiality or privacy laws, such as HIPAA.

- Adequate work space and conditions, including interacting with auditors professionally and respectfully and promptly communicating about any issues and concerns.

- Preparing the following supplementary information and providing us with certain written representation concerning the supplementary information:
  - Schedule of Liabilities in accordance the BARS Manual
- Including the auditor's report on the supplementary information in any document that both contains the supplementary information and indicates that the auditor reported on the supplementary information.
- Either presenting the supplementary information with the audited financial statements or, if the supplementary information will not be presented, making the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information and auditor's report thereon are issued.

#### Responsibilities at the conclusion of the audit

At the conclusion of our audit, the City will provide us with a letter to confirm in writing certain express and implied representations made during the course of the audit. This letter includes representations regarding legal matters. A separate letter may be needed from the City's legal counsel.

Management and the governing body are also responsible for following up and taking corrective action on all audit findings, including, when applicable, preparing a summary schedule of prior audit findings and a corrective action plan on the City's own letterhead.

#### Estimated Audit Costs and Timeline

We estimate the cost of the audit work to be \$24,425, plus estimated charges for travel time of \$1,800, travel costs, and other expenses, if any. Invoices for these services will be prepared and presented each month as our audit work progresses.

We anticipate our reports, which will be addressed to the City's governing body and published on our website [www.sao.wa.gov](http://www.sao.wa.gov) to be available to you and the public as outlined below. These estimates are based on timely access to financial information and no significant audit reporting issues. The estimated cost and completion date may change if unforeseen issues arise or if significant audit issues are identified necessitating additional audit work.
