---

Dear Mr. McLaughlin,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***The State Auditor's office wrote a letter to Peninsula Metropolitan Park District ("PenMet") on December 18, 2023, where the Auditor expressed some concerns about how PenMet handles its bidding on long term contracts. I have filed a FOIA request with PenMet for that letter, but to date they are refusing to provide it. May I get a copy of that letter from the Auditor's Office please?***

**Recd. email 3/18/24:**

***I filed a public records request earlier today and I think I might have inserted the wrong date for the letter I'm requesting. The letter from your office to Peninsula Metropolitan Park District was dated December 8, 2023, and I might have typed December 18, in error. So sorry for my error. In addition, if there are any attachments to the letter, I would like those too.***

In response, we have attached the responsive record to fulfill your request with us. Please let us know if you have any questions, concerns or issues regarding this request. We will now consider this closed.

Sincerely,

**Mary Leider, CPRO**
