The Office of the Washington State Auditor's vision is increased trust in government. Our mission is to provide citizens with independent and transparent examinations of how state and local governments use public funds, and develop strategies that make government more efficient and effective.

The purpose of this meeting is to share the results of your audit and our draft reporting. We value and appreciate your participation.

Audit Reports

We will publish the following reports:

- Accountability audit for January 1, 2017 through December 31, 2020 - see draft report.

Audit Highlights

We appreciate the Port's openness to audit recommendations and willingness to make improvements.

We'd also like to thank the Port Manager for continuously making himself available for various meetings and questions throughout the audit.

Recommendations not included in the Audit Reports

Management Letters

Management letters communicate control deficiencies, non-compliance or abuse with a less-than-material effect on the financial statements or other items significant to our audit objectives. Management letters are referenced, but not included, in the audit report. We noted certain matters that we are communicating in a letter to management related to Payroll and Procurement.

Exit Items

We have provided exit recommendations for management's consideration. Exit items address control deficiencies or non-compliance with laws or regulation that have an insignificant or immaterial effect on the entity, or errors with an immaterial effect on the financial statements. Exit items are not referenced in the audit report.

Finalizing Your Audit

Report Publication

Audit reports are published on our website and distributed via e-mail in an electronic .pdf file. We also offer a subscription service that allows you to be notified by email when audit reports are released or posted to our website. You can sign up for this convenient service at: <https://portal.sao.wa.gov/SAOPortal>.

Management Representation Letter

We have included a copy of representations requested of management.

Audit Cost

At the entrance conference, we estimated the cost of the audit to be \$11,300 and actual audit costs will be slightly higher than the estimated amount due to delays, elevated issues, and additional work performed.

Your Next Scheduled Audit

Your next audit is scheduled to be conducted in fall 2024 and will cover the following general areas:

- Accountability for Public Resources

The estimated cost for the next audit based on current rates is \$9,100 plus travel expenses. This preliminary estimate is provided as a budgeting tool and not a guarantee of final cost.

If expenditures of federal awards are \$750,000 or more in any fiscal year, notify our Office so we can schedule your audit to meet federal single audit requirements. Federal awards can include grants, loans, and non-cash assistance such as equipment and supplies.
