Hello,

To clarify, I am requesting all records related to or associated with Robert Hudkins and allegations of sexual misconduct and/or other code of conduct violations. Robert Hudkins is/was an employee of Rosalia School District, and was the subject of Washington Office of Superintendent of Public Instruction Complaint # D17-03-028 for sexual misconduct.

To clarify, you are stating that you have no records related to or associated with this? Not only was no investigation done into this complaint, but also there is no record of the educational district superintendent and/or assistant attorney general assigned to the educational service district determining that the complaint will not require investigation as is required by WAC 181-86-105? I would be very interested in having that in writing.

Thank you,

**Claire B**
