Dear Ms. Morgan,

The Office of the Washington State Auditor has completed the first installment of our response to your public records request sent in via our website, as follows:

I request all incident reports and disciplinary logs related to staff misconduct in Seattle Public Schools (e.g., sexual, physical, or ethical violations) from January 1, 2024, to April 8, 2025, including dates, outcomes, and any parental notifications or lack thereof. Please include any correspondence with OSPI regarding these cases.

We have attached the first installment of responsive records found to fulfill your request with us. We are still processing the responsive emails and we estimate we can have the final installment ready for you by August 13, 2025. If we are unable to meet that date, we will contact you and let you know when to expect the work will be completed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

Mary Leider, CPRO
