Dear Mr. Flick,

The Office of the Washington State Auditor would like to clarify the wording of your public records request sent in via email, as follows:

Hello, pursuant to the public records act, we would like to request the budget/actual records for Pierce County Fire Protection district 5 for the period of 1/1/2020 - 6/1/2025. Thank you.

We would like to clarify with you if you are asking for the budget tracker where audit staff track how much time they spent on the Pierce Fire 5 audit? Or are you looking for budget to actual documents that the District passed for budgeted revenues and expenditures compared to actual revenues and expenditures for each year?

Please let us know as soon as possible so we can continue to process your request. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,
