Dear Ms. Saavedra,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Can I get the new IT governance testing strategies from the teamstore that SAO just created? Can I also get the new testing strategies for the new WA Tech audits and engagements? I don't need the workpapers, but I wanted to see the testing strategies to see how similar or not our IIA and ISACA tests are. Thank you so much!

In response, we see that Karen Wilson has sent you the responsive records to fulfill your request with us. We will now consider this closed. SAO does not intend to further address the request, and the PRA's one-year statute of limitations to seek judicial review has started to run as of the date of this letter. Please contact us within 30 days by e-mail at PublicRecords@sao.wa.gov, if you have any questions.

Sincerely,

Mary Leider, CPRO
