Dear Mr. Bell, Jr.,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via email, as follows:

***Good afternoon: Do you have any audits that deal with the review of the construction, lump sum and review of indirect cost reimbursable rates per FAR Part 31. Please advise how I can obtain access to these issue reports. Thank you***

In response, our office has not done any such audits. Since we have no responsive records that would fulfill your request, we will now consider this request closed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

**Mary Leider, CPRO**
