Dear Ms. Baron,

The Office of the Washington State Auditor has received and completed our response to your public records request that was sent in via our website, as follows:

I wanted to reach out to see if you have aggregated operating budgets for WA public agencies/jurisdictions in one place? Am looking to analyze data on WA public agency budgets (cities, counties, ports, school districts, WSDs, PUDs, etc) and wanted to see if that data exists in one place (or is collected in some form or fashion)? Anything from the past 5 FYs would do! I am an MPA Candidate at the Evans School of Public Policy and will use this data for my capstone paper.

In response, our office does not have the records you are seeking. You should contact the Office of Financial Management (OFM) at <https://www.ofm.wa.gov/> directly for the records you are seeking. Since we have no responsive records to fulfill your request with us, we will now consider it closed. Please let us know if you have any further questions, concerns or issues regarding this request.

Sincerely,

Mary Leider, CPRO
