

The following applies to GAAP governments only:

The Department of Revenue has posted tax abatement information applicable to local governments to its website. It is available at <https://dor.wa.gov/doing-business/information-local-governments/governmental-accounting-standards-board-gasb-statement-no-77>.

This data includes state imposed sales taxes and state and county property taxes. Local governments still need to ensure proper disclosure of any other abatement arrangements as required by GASB Statement 77, *Tax Abatement Disclosures*.
