Subject: SAO Response to PRR #5364 - East Lewis County Public Development Authority

Dear Mr. Serrahn,

The Office of the Washington State Auditor has received your and completed our response to your public records request sent in via our website, as follows:

Latest Accountability Audit performed in 2019 for East Lewis County Public Development Authority. This is not yet available on the WSAO website.

In response, it is not necessary to do a public records request for an audit report. As our audit reports are released, they are posted to our website. The East Lewis County Public Development Authority is currently still in progress and not released yet. I spoke with the audit team and they are estimating the release of the audit by the first week in September. Please feel free to check our website at <https://www.sao.wa.gov/reports-data/audit-reports/> any time after that. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

Mary Leider, CPRO
