Dear Ms. Bobbins,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

***Under the Washington Public Records Act, §42.56 et seq., I am requesting an opportunity to inspect or obtain copies of public records. Am requesting copies of all public officials bonds filed with the King County Auditor's office. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the public right to inspect the public servants bonds on public record. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request.***

Our Office does not have King County Auditor's records. You will need to contact the King County Auditor's Office directly for the information you are seeking at <https://www.kingcounty.gov/depts/risk-management/public-records-program.aspx>. Since we have no records to provide, we will now consider this request closed. Please let us know if you have any questions, concerns or issues regarding this request.

Sincerely,

**Mary Leider, CPRO**
