Subject: SAO Response to PRR #5352

(5 Day Letter – Due 6/28/19)

Dear Mr. Mitchell,

The Office of the Washington State Auditor has received your public records request sent in via email, as follows:

Not long ago, I understand the Department of Social and Health Services, Division of Vocational Rehabilitation went through an audit. From the description, it may have been an Accountability Audit.

I have been searching for the audit report using the search tools on the State Auditor's web site and have had no luck finding the report.

Do you know how I can find that report?

In response, the most recent audit we've done for DSHS Division of Vocational Rehab was a Single Audit done as part of the SWSA (State of Washington Single Audit). The program did have findings, which are referenced in the report. You can find them by using the search function below or by the following finding #'s: 2018-018, 2018-019, 2018-020, 2018-021, 2018-022, 2018-023 or 2018-024.
