Subject: SAO Response to PRR #5141

Dear Ms. Lewis,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

Criminal History, protection orders, or suing landlord

In response, our office's audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. You may want to contact your cities officials for the records you are seeking at the City of Ferndale: <http://www.cityofferndale.org/police-department/support-services/>. We do not have the records you are seeking. We will now consider this request closed since we have no responsive records to provide you. Please let us know if you have any questions, concerns or issues with this request.

Sincerely,

Mary Leider, CPRO
